Forward-Looking Statements

This filing and the following documents contain forward-looking statements within the meaning established by the Private Securities Litigation Reform Act of 1995 ("Act"). The forward-looking statements are intended to qualify under provisions of the federal securities laws for "safe harbor" treatment established by the Act. Forward-looking statements are based on currently available information, expectations, estimates, assumptions and projections, and management's judgment about California Water, the water utility industry and general economic conditions. Such words as would, expects, intends, plans, believes, estimates, assumes, anticipates, projects, predicts, forecasts or variations of such words or similar expressions are intended to identify forward-looking statements. The forward-looking statements are not guarantees of future performance. They are subject to uncertainty and changes in circumstances. Actual results may vary materially from what is contained in a forward-looking statement. Factors that may cause a result different than expected or anticipated include, but are not limited to: the failure to consummate the proposed transaction with SJW upon the terms set forth in California Water's Acquisition Proposal; governmental and regulatory commissions' decisions; changes in regulatory commissions' policies and procedures; the timeliness of regulatory commissions' actions concerning rate relief; changes in environmental compliance and water quality requirements; electric power interruptions; changes in customer water use patterns and the effects of conservation; the impact of weather and climate on water availability, water sales and operating results; civil disturbances or terrorist threats or acts, or apprehension about the possible future occurrences of acts of this type; labor relations matters as we negotiate with the unions; restrictive covenants in or changes to the credit ratings on our current or future debt that could increase our financing costs or affect our ability to borrow, make payments on debt or pay dividends; and, other risks and unforeseen events. When considering forward-looking statements, you should keep in mind the cautionary statements included in this paragraph, as well as our annual 10-K, Quarterly 10-Q, and other reports filed from time-to-time with the Securities and Exchange Commission. California Water assumes no obligation to provide public updates of forward-looking statements except to the extent required by law.

California Water Comments on One-Sided Amendment to SJW/Connecticut Water Merger Agreement

SAN JOSE, Calif. — May 31, 2018 — California Water Service Group (NYSE: CWT) today issued the following statement in response to Connecticut Water Service, Inc.’s (NASDAQ: CTWS) amendment to its pending merger agreement with SJW Group (NYSE: SJW):

“Connecticut Water announced this morning a one-sided amendment to its merger agreement with SJW Group that allows it — but not SJW — to conduct a 45-day go shop process, during which Connecticut Water can actively solicit alternative acquisition proposals from third parties.

“We believe this is a clear indication of the lack of stakeholder support for the SJW/Connecticut Water transaction and reflects the entrenchment of the SJW Board. In fact, the announcement comes only hours after California Public Utilities Commission (CPUC) Administrative Law Judge Karl Bemesderfer disclosed at a Public Participation Hearing that CPUC’s legal division has decided to review the SJW/Connecticut Water transaction.

“It is time for the SJW Board to acknowledge the untenable uncertainty and risks associated with its transaction with Connecticut Water and engage with us on our \$68.25 per share all-cash proposal. As we have noted previously, our proposal represents a 30% premium to the \$52.41 closing price of SJW on April 3, 2018, the day prior to delivery of our proposal. In addition, our proposal is 10% higher than the high end of the range of implied stand-alone equity values per SJW share resulting from the discount cash flow analysis conducted by SJW’s own financial advisor.

“Especially in a so-called ‘merger of equals’, we believe the SJW Board owes its stockholders a clear and candid explanation of why only Connecticut Water shareholders get the benefits of a go-shop period.”
